YONKERS BRIEF

RESPECT YONKERS

This year, we launched our new anti-littering campaign, "Respect Yonkers." Learn more on how you can do your part to keep our city clean at respectyonkers.com

SLOW DOWN TO GET AROUND

Help keep our city workers safe! New York State's newly passed "Slow Down to Get Around" law requires motorists to slow down when passing waste and recycling collection vehicles.

E-WASTE

Household electronics, such as TVs, computers, cameras, video game consoles, can be recycled at the Yonkers Recycling Center at 735 Saw Mill River Road. For a complete list of acceptable equipment, visit yonkersny.gov/guide

SUSTAINABLE YONKERS

Yonkers leads by example. We recently installed new electric vehicle charging stations at municipal parking lots along the waterfront. In addition, our city fleet is expanding with greener, more energy efficient vehicles.
