

The Consumer Protection Bureau licenses Food Vendors on City streets and in City parks. Food Vendors include hot dog and other food trucks, pushcarts and stands that operate at various locations throughout the City. There is currently a waiting list for this license. Food Vendors at Special Promotions like Flea Markets and Seasonal Events also require licenses. Annual licenses, as well as Daily, Event licenses may be obtained. Due to the various types of Food Vendor Licenses issued, we require that all inquiries regarding applications be made directly to the CPB.
